Godmorgen!

Den 27. august 1910 blev det vedtaget, på den 2. internationale socialistiske kvindekongres i København, at alle lande hvert år skulle holde en international kvindekampdag. Dagen skulle i første omgang være de socialistiske kvinders agitationsdag for stemmeretten. Fra 1921 har dagen været fejret den 8. marts, og den bliver fortsat fejret denne dag.

Ugens tip: Brandvejen rundt om AFP 13 & 15 er en rigtig god tur til Walk'n'Talk - så tag mødet på en gåtur næste gang vejret er til det!

Vi ønsker jer en god uge i Agro Food Park.

Europa har store problemer med jordens sundhed og EU investerer indtil videre 357 mio. kr. i at finde løsninger. Du kan få del i puljen.

Hvornår: Onsdag den 15. marts 2023 – Kl. 12.00-16.00
Sted: Velas – Søften, Trigevej 20, 8382 Hinnerup
Forplejning: Frokost og eftermiddagskaffe med kage

Op til 70% af europæisk jord, fordelt på forskellige typer af jordbrug er i en sundhedsmæssig kritisk tilstand. Det er en udfordring, der påvirker os alle, og derfor sætter EU nu fokus på problemet.

Løsningen er Living Labs, hvor lokale interessenter går sammen om at finde løsninger. Under NAT100NS programmet har EU planer om at oprette i alt 100 Living Labs, og gør det muligt at ansøge om ca. 90 mio kr. til hvert af dem.

Du inviteres af **Aarhus Universitet** til at deltage i et møde, hvor vi kan fortælle mere om EU's Soil Health Mission - også i dansk kontekst, om konceptet Living Labs og om mulighederne for at lave en ansøgning til at etablere et Living Lab.

Du får en unik mulighed for at samarbejde med førende forskere om at finde ny viden og teknologi. Du træder ind i et arbejdsfællesskab med andre interessenter og får mulighed for at sidde med ved bordet, når der findes løsninger på helt konkrete problemer, som fylder i dit nærområde.

Good morning!

On August 27th in 1910, it was decided at the 2nd International Socialist Women's Conference in Copenhagen that all countries should celebrate an International Women's Day every year. The day was initially supposed to be the socialist women's agitation day for the right to vote. This date of celebration has been on March 8th since 1921, and it is still celebrated on this day.

Tip of the week: The emergency access road around AFP 13 & 15 is great for a Walk'n'Talk - so consider bringing your next meeting outside, the next time the weather is good.

We wish you a great week in Agro Food Park.

Kind regards,
Agro Food Park
